Walking through the door of this beautiful 2-story home, you are greeted by the grand entry and a study that make this home a must-see. This open-concept floor plan features soaring 2-story ceilings in the family room. Granite countertops, a spacious island, and stainless steel appliances complete this beautiful kitchen. You will adore the large game room and three nice size bedrooms upstairs. Retreat to the large primary suite and enjoy the stunning bowed window, double sinks, separate tub and shower, and walk-in-closets. Large backyard that's big enough for a large pool and gardening with no rear neighbors. This home is energy efficient and a certified Environments for Living home, which includes a guaranteed utility cost in writing. Come visit this beautiful home today!

"Approximate Living Area" square footage calculations were made as exterior dimensions less attached garage, if applicable. "Approximate A/C Area" square footage is the same area less thickness of the exterior walls of the same area. Finished square footage calculations are made based on plan dimensions only and may vary from the finished square footage of the home as built. Prices, discounts, plans and features subject to change without notice. See sales counselor for details.
